

Application Guidelines

Family Medicine Global Health Project Grant

A complete application for the Family Medicine Global Health Project Grant must include the following:

- The program title
- The site at which the program is offered
- Your budget table, including descriptions and values; please provide a detailed breakdown of the total anticipated cost of your participation in this program
- Whether you have access to funding from another source (e.g., provincial/continuing professional development funding, grants, faculty development awards)

In a separate document, please:

1. Describe in detail your proposed activity, including the frequency and duration of sessions
2. Provide a brief description of your current practice profile and the degree of your involvement in the areas of care relevant to this application
3. Explain why you are choosing this activity
4. Describe how your participation in the activity will benefit the external country or community
5. Describe how your participation in the activity will benefit the department of family medicine or the university as a whole
6. Describe how this activity will promote and encourage growth in the discipline of family medicine

Please upload your complete submission as a PDF and adhere to these formatting requirements:

- Font – Arial or Times New Roman
- Font size – 12 point
- Margins – Standard one-inch margins
- Page restriction – 10 pages maximum

All sections must be completed. Submissions that exceed 10 pages will be truncated.
