## Family Medicine Research Article of the Year

A complete nomination for the Family Medicine Research Article of the Year must include:

- Confirmation that your nominee has been informed of the nomination
- The nominee's contact information
- The article title
- The name of the journal in which the article was published
- The full citation of the article
- A brief description of the nominator's contribution to the team and the article's importance to family medicine
- A PDF copy of the article
